

Cancellation Policy

We are committed to serving our patients. To help us do this, we ask for at **least 24 hours advance notice** if you need to cancel or re-schedule an appointment. This enables us to contact and schedule patients on our waitlist. You are the primary focus of our care, and your active participation is essential to a successful rehabilitation program.

If you need to cancel an appointment with less than 24 hours notice, please be advised that a **\$40 cancellation fee will be added to your account balance**. Cancellation due to illness will be given special consideration on a case by case basis.

If you arrive late for your appointment, your appointment may be shortened in length.

I have read the above, understand it, and agree to its terms.
